A participant is a student-athlete who, as of the day of a varsity team's first scheduled contest: (a) is listed as a team member; (b) practices with the varsity team and receives coaching from one or more varsity coaches; or (c) receives athletically-related student aid.

Any student who satisfies one or more of the criteria above is a participant, including a student on a team the institution designates or defines as junior varsity, freshman, or novice, or a student who does not play in a scheduled contest, whether for medical reasons or to preserve eligibility (i.e., a redshirt).

Student-athletes who participate in more than one sport should be counted in each sport.

For purposes of this report, the term "Full Time Coaching Duties" means the individual's employment responsibilities at the institution are exclusively those as coach of that team, and only that team, and are consistent with the institution's definition of a full-time employee of the institution (e.g., 40 hours per week or more) or part-time employee of the institution (e.g., less than 40 hours per week). For purposes of this report, the term "Full Time University Employee" means the individual's overall employment responsibilities at the institution are consistent with the institution's definition of a full-time employee (e.g., 40 hours per week or more) although that individual may have responsibilities other than as coach of that team, either within the athletic department or another department of the institution.
